

# SOILCON26

## Virtual SoilCon: Soil Health Successes & Failures

February 12th 2026 8:30am - 12:45pm PT

Online via Zoom

The Washington Soil Health Initiative is hosting its sixth annual SoilCon meeting! SoilCon brings together speakers from academia, industry, nonprofits, and government agencies to explore current topics in soil health.

### Status of the World's Soil Resources and Demystifying Soil Health

David Lobb, University of Manitoba

### Long-Term Soil Health Research

Taylor Ulbrich, Kellogg Biological Station LTAR

Surendra Singh, WSU Lind Dryland Research Station

### Soil Microbiology

Jean-Michel Ane, University of Wisconsin-Madison

Mallory Choudoir, North Carolina State University

Kirsten Hofmocker, Pacific Northwest National Laboratory

### Soil Health Lightning Talks

Soil health researchers and educators
